### Stormwater Permit:

For Stormwater Permits for projects requiring other Planning Board permits, the fees applicable to those permits shall apply. For other Stormwater Permits, fees are as follows (section numbers refer to Stormwater Regulations):

- 1) The Conservation Commission may establish fees for Stormwater Permits under its jurisdiction.
- 2) Single-family homes, 2 family homes, and driveways not otherwise requiring Conservation Commission or Planning Board review (Section 5.B.1): **\$150** (Submitted to Department of Utilities & Facilities)
- 3) Other minor projects not otherwise requiring Conservation Commission or Planning Board review (Section 5.B.2): **\$100**

### Notes:

1. The cost of any third party engineering review (i.e. peer review) shall be paid by the applicant; a deposit of \$2,000 shall be submitted with any application for major site plans. Said funds will be held in a special account through the ODIS. For projects where these costs are higher than \$2,000, the applicant shall replenish the account upon notice by the ODIS. All funds remaining in the account at the completion of the project shall be returned to the applicant.
2. Any resubmission of a site plan requires the full fee to be paid, except for applications for developments with greater than 100,000 square feet of land disturbance, where the fee shall be set by the Director of ODIS to reflect a realistic amount based on the review and inspection work expected and the amount of fees previously paid.
